

GROW HEALTHY WORKSHOP

**FREE
TO ALL PASTORS
AND LAY LEADERS...**

Has your church stalled?

Do you believe your church has the potential to grow but just can't figure out how?

Are you ready for more?

Join Michael Lukaszewski as he takes us through an insanely practical workshop where you will leave with a TON of very useful resources. This is not a feel good seminar where you leave inspired but with little to show for your time. Michael will teach every attendee a specific process of looking at your vision, mission and strategy, and you will go home with an action plan on how to organize yourself for growth. This isn't a bunch of inspiration or theory...it's a workshop where you're going to work hard and plan for healthy growth. You will walk through important aspects of leading a church and you will develop real plans. Since this is a hands-on workshop, it is helpful for pastors to bring as many of the church leaders as possible.

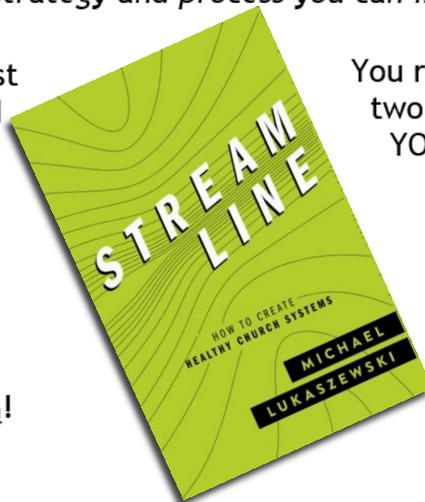

Michael is the founder of Church Fuel, an organization that is helping hundreds of churches and leaders like you to kick start their church into a new era of health and growth. He has years of experience as a youth pastor, senior pastor, church planter and church consultant. Michael and his team at Church Fuel have developed dozens of tools and numerous courses to help churches address difficult issues and experience real change.

"I will teach the process I know can work for you and I will give you all the tools you need to lead your church through each step. You will actually work on your church and go home with a fresh approach to what's next. After the workshop, you will know the process healthy churches use to grow. Not just tactics and gimmicks, but a real strategy and process you can implement for your church and community."

Normally Michael's workshops cost hundreds of dollars to attend and they are worth every penny, but the Great Rivers Region is bringing this workshop to you for FREE!

Why so inexpensive? Because we want churches to send as many of their leaders as they can!

You receive a day and a half of great information, two meals, a growth plan you developed for YOUR church, and lots of additional resources you will take home with you to help you make the necessary next steps. FREE!!!!

The first 25 to sign up will receive Michael's book, Streamline, for free!!

It's the workshop that just keeps giving!
