

The start of another great year.

Our new semester is off to a great start, with a successful move in week, parents' meeting, work day, and retreat for Koinonia, Stratford, and Sutton; and blessed Quad Day, worship, and ministry events for University Baptist.

cancer. This research contributes toward the development of medications to treat glioblastomas.

Stephen is President of MedLaunch at the University of Illinois, a student-run organization of seventy undergraduates working on six distinct projects to increase accessibility in Champaign-Urbana. They work with elderly and disabled persons to create assistive devices to improve their quality of life. As President, Stephen leads MedLaunch's recruiting, connecting with local disability organizations, researchers, and startups, and keeping projects on schedule.

Our ministry is blessed to have students like Stephen involved. If you'd like to help support our work of developing tomorrow's Christian leaders today, please visit our giving link - **here**.

Grace to you and yours!
